The Work of the IEC

History

The Indiantown Education Coalition began as a spin-off of the Indiantown-Western Martin County Chamber of Commerce and was created to coordinate the resources of the many local civic organizations and businesses which support Indiantown schools. It was formed as a 501(c)3 not-for-profit organization in 1996 - over 20 years of effort supporting deserving students and teachers.

*The IEC is governed by a Board of Directors consisting of business leaders, educators and community volunteers. There are no paid staff or salaries so **we guarantee 100% of dollars raised goes toward the support of the students.***

Focus

The IEC is focused to motivate students to stay in school and set their sights to pursue college or other post secondary training.

Our Mission

We support the following throughout the year:

- College Scholarships to Indiantown Students**
- Classroom Mini-Grants**
- Specific academic, artistic, or athletic needs for students to succeed**

Our Mission Statement

The Indiantown Education Coalition brings together business partners, educators and community members who are united in their commitment to provide great educational opportunities to the students and teachers of Indiantown.

On the strength of its commitment to education, this group has taken a leadership role to prepare Indiantown's future workforce to meet the challenges of today and to prepare for the community's vision of the future.

The IEC is focused to motivate students to stay in school and set their sights to pursue college or other post-secondary training.

Student Testimonials

These are actual letters sent to the IEC from Indiantown students who received scholarships.

Dear IEC Board,

I just want to take the time to thank you all for choosing me to receive your scholarship. It absolutely means the world to me. Now that I've received the ITS Telecom-Bill Hannah Memorial Scholarship and a few others, I am ecstatic to be able to attend Indian River State College. This takes me one step closer to achieving my lifelong dream of becoming a successful Architect.

Not only that, I will also be able to accomplish my short term goal of being the first person in my family to attend and complete college.

People like you give students like me a chance to succeed in life. Your donation is truly appreciated. I look forward to taking advantage of this opportunity and making the best of it.

Cecil T., 2016 IEC Scholarship Recipient

Dear Donor,

I wanted to thank you for the opportunity that you have handed me. This scholarship means a lot to me. Thank you for taking the time and selecting me. This scholarship is just proof that dreams do exist. With your donation, I'm another step closer to my dreams. I wish more than anything to become a nurse and to help people.

When my father passed away, I didn't realize that I would face great obstacles. I hope you know the difference you have made in my life. Losing my dad made me realize that life is a gift. I hope to one day help people and make my father proud.

Thanks again so much. I hope to keep in touch and keep you informed of my road to success. Thank you is not enough, but it's all I can offer.

With appreciation,

Jessica S., 2016 IEC Scholarship Recipient

Living Proof

Dear Indiantown Education Coalition,

I am writing to say thank you for providing aid to upcoming students, past students and me. I would have never imagined to go away from home for college, but here I am!

This year (at college) I was part of the Relay for Life Planning Committee at UWF and was elected co-chair of the Service Committee of the UWF Kugelman Honors program.

Thank you so much for helping students continue our education. I will forever be grateful and will come back to my town.

Sincerely,

Vivian L.P., 2015 IEC Scholarship Recipient
